V CARE TREATMENT

45 MINUTES ONLY

An empowering feminine care treatment designed to tighten and brighten the vulva and strengthen the pelvic floor to vitalize both health and beauty. Massage techniques, steam, peels and masks mindfully combined to aid in initiating feminine rejuvenation. Continued sessions shown to improve hormone balance, menstrual cramps, mental fatigue, and seasonal skin conditions. Delicate and professionally certified treatment including guidance for post-care maintenance.

Several sessions recommended for best results

Please shave the area a few days prior to appointment

Rejuvenating home kit also available in studio and online

FACIAL MASSAGE

60 MINUTES ONLY

A popular treatment in Tokyo and Paris in which only a handful of technicians in the US are specially trained to practice. Unique, intricate tools and acupressure techniques are used to stimulate and sculpt deeper levels of the face, neck and head muscles to revitalize circulation of blood flow resulting in remarkable anti-aging effects and overall wellness.
